

Doctoral CGDE Workshop: Call for Papers

Dear members of the CGDE network,

We invite you to submit your papers to the 9th Doctoral CGDE Workshop organized by

Otto von Guericke University Magdeburg

which is held **ONLINE** on

March 3–4, 2022

The workshop will start around noon and will end the next day in the afternoon. Please note the change of format - the workshop is now planned as an online event because of the ongoing pandemic.

There will be 50 minutes for each paper. This includes presentation, comments provided by a discussant (planned), and the general discussion.

Please submit your paper (extended abstract) until January 31, 2022 to: gina.gierk@ovgu.de

The program will be communicated in the 2nd half of February at: <http://cgde.wifa.uni-leipzig.de>

All PhD students and Post-Docs in the network are encouraged to submit their papers. Senior researchers are also cordially invited to participate.

We look forward to seeing you at the workshop,
